

Information Technology 8

Panorama Ridge
Secondary

Assignment #1: Websites...Which ones should you trust? (<http://www.altn.org/webquests/websites/index.html>)

Task: Carefully read the information for each of the four keys questions in the WebQuest. On a piece of lined paper, **complete the following for each of the four key questions:**

- *using point form (5-7 words per point), record what you think are the 6-8 **most important** pieces of information related to each question*
- *click on each linked word (blue) and write a **brief definition in your own words***
- *at the bottom of each question, **complete the assigned task** and provide a **well thought out paragraph** (using at least 3 strong supporting examples from each site) response to the questions*

Your page should be set up as follows:

<i>(Name)</i>	<i>Info Tech 8 Assignment #1 February 3, 2009</i>	<i>Block C</i>
<i>Question 1: Who is the Author?</i>		
<i>• (point form notes ----> only choose words that have value)</i>		
<i>•</i>		
<i>•</i>		
<i>Vocabulary:</i>		
<i>Task #1:</i>		

This assignment is due on _____
at the **end of class**.

This assignment will be marked using a 1-5 scale and the following criteria:

- task responses are detailed (at least 3 supporting points per site), accurate and demonstrate evidence of deeper thought
- note taking is sufficient in length (6-8 points of 5-7 words in length) and meaningful
- vocabulary section is presented in your own words
- presentation of assignment is neat, properly organized and shows evidence of best work
- evidence of editing and revising (spelling, grammar, punctuation, etc.)
